

JOHN WILLIAM CONNOLLY IV connjw20@wfu.edu | 904.652.5032

EDUCATION

Wake Forest University

Bachelor of Science in Biology

Minor in Chemistry and Environmental Science

GPA: 3.80; Dean's List: All Semesters

Winston-Salem, NC

August 2021-Present

PROFESSIONAL EXPERIENCE

Jon Kavouni

Clinical Assistant

London, UK

May 2023 – June 2023

- Obtained clinical experience in the field of cosmetic plastic surgery. Assisted doctors with, on a daily average, two surgeries and four post surgery checkups.
- Worked with the anesthesiologist to safely anesthetize patients before surgery.
- Maintained professionalism at all times, even under intense pressure or when unexpected issues arose.

11 Cadogan Gardens

Head Day Porter, Reception Department

London, UK

May 2023 – July 2023 / May 2022 - July 2022

- Provided five star service to guests from all over the world staying at this luxury boutique hotel in central London.
- Worked efficiently and effectively to ensure all luggage was delivered promptly. Provided excellent restaurant recommendations or unique points of interest to the guests.
- Assisted my short staffed team in all departments and worked well under intense pressure.

Surrey Diagnostics

Laboratory Assistant

Epsom, UK

June 2019 – August 2019

- Worked with lab technicians to process a daily average of twenty to thirty animal DNA samples and accurately diagnose any diseases present.
- Significantly enhanced my safe laboratory practices by preclude sterilization and avoiding sample cross contamination.
- Was In charge of carrying out the daily health and safety checklist to ensure a safe working environment for all employees.

LEADERSHIP EXPERIENCE

Theta Chi Fraternity

Secretary

Winston Salem, North Carolina, US

January 2023 – Present

- Developed weekly meeting agendas, reviewed the minutes of each chapter meeting.
- Addressed the brotherhood at the beginning of each weekly chapter meeting and accounted for the attendance of all ninety three brothers.

Hit The Bricks

Ambassador

Winston Salem, North Carolina, US

August 2023 – Present

- Organized “tabeling” events on campus to encourage new members to sign up.
- Publicized the event by encouraging members to post on social media, decorated the campus to further increase the event's turnout by putting up flyers and chalking the quad.

Walkabout Foundation

Lead Volunteer

Nanyuki, Kenya

June 2019 – July 2019

- Built and distributed a weekly average of fifteen to twenty wheelchairs to the physically impaired population of Nanyuki and Nairobi.
- Worked with locals and other volunteers to grow the charity from its small routes, educated the locals on how to use and maintain the wheelchairs.

ADDITIONAL PROFICIENCIES AND ACHIEVEMENTS

Technical: Proficient in Microsoft Word, Excel, PowerPoint; ChemDraw; PASCO capstone.

Achievements: current member of: Environmental Law Society, Tri Beta (biology honors society), American Chemical Society, Model UN, Phi Alpha Delta (pre-law fraternity), Wake Adventure Club, Outdoor Pursuits Club; Wilderness First Responder Certified; Extended Project Qualification (research paper award) on coral bleaching in the Florida Keys.
